Dear Alumnus,

Re: Invitation to Mentorship Scheme cum Career Day 2015

On behalf of the Student Council of Ying Wa College, I am writing to extend an invitation to you to the Mentorship Scheme cum Career Day 2015.

The Mentorship Scheme and the Career Day were first launched in 2009. While the Mentorship Scheme is initiated by the Old Boys' Association and the Student Council, the Career Day is an English-Careers education cross-curricular project in which students interview old boys and write up a career research report as a piece of English language homework.

Through interactions with old boys, our students are able to gain insights into their aspired careers and possible career paths. Meanwhile, the programme promotes the bond between students and alumni, bringing Ying Wa Boys of different times together and strengthening the Ying Wa Spirit.

Thanks to the support of graduates and teachers, the scheme was a huge success last year. The sharing from old boys was insightful and we benefited greatly. This year, we will continue to organise the Mentorship Scheme in April and will be honoured to have your participation. For this year, the Career Day and the Mentorship Scheme will be combined into one programme, which is compulsory for all S.5 students.

We cordially invite you to become one of the mentors of the programme this year. The details are as follows:

Date : 25 April 2015
Time : 09:00 – 11:30
Venue : Noble Hall, Ying Wa College
