Dear All:

On 11th November, a record number of over 2,500 old boys, faculty members, students and parents participated in the 2017 Walkathon. And on that very date, we officially kicked off our alma mater's Bicentennial Celebration!

In addition to being the first school in Hong Kong to have its Bicentennial Celebration, Ying Wa College has also contributed to many significant events throughout its long history. For example, the first Chinese bible was translated and printed in Ying Wa College in 1818; its graduates counted the first Chinese pastor (1821) Leung Faat (梁發); it is one of the first secondary schools in Hong Kong to incorporate Social Studies in its curriculum; it is the only secondary school in Hong Kong to have won the Inter-school Handball Competition ten years in a row! You can gain much more understanding of Ying Wa College in the forthcoming Bicentennial celebration events, which are summarized in the table below.

Donation Pledge

Ying Wa old boys have a strong tradition of being grateful to their teachers and supporting the younger brothers. All current teaching and office staff in Ying Wa College and Ying Wa Primary School are invited to attend the dinner to celebrate together. The actual cost per person of the Gala Dinner is forecast to be above \$2,000 per head. In order for many of our former teachers (most in retirement already) and junior old boys to attend, we urge you to make a donation towards this cause by filling out the Donation Form attached (Appendix B).

We will have more communications with you as the dates of different Bicentennial celebration activities (including the Gala Dinner) approach. Stay tuned!

Best regards,
