

Private Label Wine and Wine Glass

Dear Alumni,

For the Bicentennial Celebration of our alma mater, we have specifically procured for all Ying Wa family members of private label red and white wines from distinctive Winery at Pilandro, located between the hills and Lake Garda at the north of Italy at a bargain price.

The red wine is elegant and soft with notes of ripe cassis, violets with vanilla and fruity aroma. The wine is produced by the traditional vinification method and aged in French barrels, perfect to pair with grilled red meat and matured cheese. While the white wine displays a surprising complexity, with hints of apricot, citrus and flowers. It is ideal for salads, antipasti and seafood dishes.

To accompany with the private Bicentennial label wines, unique pair of Czech crystal wine glasses is also purposely crafted to celebrate the occasion. The glass is engraved with the antique YWC badge which was used on the Ying Wa Speech Day programme in 1922.

Details are listed on the attached order form, **please place your order ASAP but no later than 30 June 2018 as both wine and glass are of limited quantities only.** Please return the completed order form with payment by post to "Ying Wa College Old Boys' Association Ltd, Ying Wa College, 1 Ying Wa Street Shamshuipo, Hong Kong" or e-mail to tyf@yingwa.edu.hk.
